Case of Heury Stimson. In the Supreme Court Chambers, before Judge Clarke, this morning, the ease Henry Stimson, agent of the Milwauker Prairie Du Chien ruilroad was heard. The dissolve an injunction obtained at the speci term restraining them from issuing the common stock. The injunction was origin ally obtained on the ground that this would be a violation of the rights of owners of pr ferred stock. The holders of mortgages of the Milwaukes & Mississippi railroad in th action, arged that the common stock bein higher in price than the preferred stock th directors were entitled to sell that, as would be more advantageous to all partie and the court had never obtained prop urisdiction over the action, and on thes and other grounds asked that the injunction

be vacated. Casey & McGowan's rosin factory, and arge block of buildings on the Atlanti-lock, Brooklyn, were destroyed by fire the

Six thousand emigrants arrived here this

MEMPHIS, November 25.—A collision of curred last night between the Niggara and Post Boy, on the Mississippi river, sever miles above Helens. Niggaria sink is represented as being deplorable, and under the color other government had things been in such a state of chaos.

Most of the French troops have gone to be northern frontier. It is said there would be general rejoicing if the few huntivels remaining at Massulan would follow. Post Boy was uninjured.

Steamer Injured.

Came, November 25.—The steamer McI-notte from Cincinnati to New Orleans struck and sustained serious injury. She was obliged to throw her deck load overboard to Loss of Ships.

From Washington.

President Johnson's Instructions Washington, November 23.—Owing to the engreness of the statement in the dispatch om Mississippi, published yesterday, purrting to give the substance of Pre Johnson's instructions to Governor Hum-phreys, the National Republican gives a full copy of the dispatch as follows: Wassisuros, November 17, 1865.

To C. G. Humphreys, Governor elect, Juck-The troops will be withdrawn from Mis sippi when in the opinion of the Govern ment, peace and order and the civil author y has been restored, and can be maintain ed without them. Every step will be take

New York, November 25.—A Washington of dispatch says: By order of the commanding General of the Department of Missouri, approved by the Secretary of War, it is directed that the military post established on Powder river, Dakotah Territory, by Brigadier General L. Conner, shall be designated and known as Fort Beno, in bonor of Gen. J. L. Reno who fell at South Mountain.

An order from the Headquarters of the of the President or Government. Th to concession required on the part of the people of Mississippi or the Legislaturs other than a loyal compliance with the An order from the Headquarters of the Department of Florida directs that the sub-listrict of Key West and West Florida shall laws and Constitution of the United Sta inwe and constitution of the United States and the adoption of such measures as wil give protection to all freemen in person of property, without regard to color, such a will outside them to assume all Constitution al rights in the Federal Union. The peobe abolished, and all garrisons and posts comprising them be added to the Depart-ment of Middle Florida, which will be named and known as the District of Middle, Western and Southern Florida. From Saturday's 2d Edition.

ai rights in the Federal Union. The pe-ple of Mississippi may feel well assured in there is no disposition arbitrarily on the part of the Government to dietate what a tion should be had, but on the contrary, simply and kindly advise a policy that believed will result in restoring all the re-lations which should exist between the States comprising the Federal Union. It is boped that they will appreciate and feel the suggestions herein made, for they are offered in that spirit which should pervade the bosom of all those who desire peace an harmony and a thorough restoration of the Union. There must be confidence between the Government and the States, and whill he forcement confide. e Government confides in the people, the seeple must have faith in the Government. This must be mutual and reciprocal er all that has been done will be thrown away.

ANDREW JOHNSON President of the United States. Visited the President.

the heads of departments to include unex-pended balances in their estimates, in order hat he may apprise Congress as ne ien, Geary, Senator Johnson of Arkan ms, who was a member of the United St Senate with President Johnson, and who now seeking a pardon for his participati now seeking a partion ter his participation in the Robellion, and Speaker Colfax. A number of Indies were also present, urging the claims of friends for amnesty. One of them was exceedingly earnest in behalf of Harris Gilmore of Maryland.
